

April 2024

## Negative list – no coverage of costs by insurer

List of institutions and non-resident doctors not covered for the costs of treatment on semi-private and private wards.

The negative list applies to the following supplementary hospital insurance policies:

- **hospita**, if policy was taken out after 1 January 2022, STC 2022 edition (in particular Articles 1.5.2 to 1.5.6)

### I. General information

If an institution or non-resident doctor is listed below, you are not entitled to reimbursement of the costs.

If your desired institution or doctor is listed below, please make sure you check with us before starting your treatment to discuss the assumption of costs. This avoids unpleasant surprises and uncovered costs.

Please call us on [+41 58 262 42 22](tel:+41582624222) for more information.

### II. List of unrecognised institutions

Based on the applicable Special Terms and Conditions, there is **no entitlement to benefits** for the supplementary hospital insurance policies listed above at the institutions listed below:

Canton	Name of hospital/clinic	Specialist department
BS	Bethesda Hospital AG	All departments
VD	Clinique La Prairie	All departments
VD	Laclinic Montreux	All departments
VD	Clinique Bon Port Biotonus	All departments
VD	Clinique MV SANTE Beaumont SA	All departments

Changes may be made throughout the year.

### III. List of unrecognised non-resident doctors

Based on the applicable Special Terms and Conditions, there is **no entitlement to benefits** for the supplementary hospital insurance policies listed above with the non-resident doctors/groups of non-resident doctors listed below:

Name	Address	Town/city
All non-resident doctors are currently recognised.		

Changes may be made throughout the year.
